## What's Up?

Howdy — hope that everyone is gearing up for the big holidays that are about to descend on us! Veterans Day, Turkey Day, Black Friday, Small Business Saturday, Cyber Monday... and don't forget French Toast Day (28), Deviled Egg Day (2), Men Make Diner Day (3) and my favorite—Take A Hike Day (17)....all coming up in November

We are so pleased that **Ron Onesti** and the Arcada theatre are continuing their Silent Tuesday series. Enclosed is the list of silent movies that **Jay Warren** will be accompanying on the mighty **Geneva Marr/Colton**.

CATOE will be starting the restoration projects at the **Arcada** and **Pickwick** after the holidays are over. We would like to get the Arcada organ ready for a fall public show—to try and raise money to continue the restoration on the organ.

Speaking of fund raising, would you be interested in Adopt-a "Pipe Organ" or "Chamber" or even a "Rank" of pipes? Since we need to raise about \$10,000 a year to meet our goals—this was one of the ideas being kicked around. How would you like to see your name on a Chamber door or on a rank of pipes? We will discuss this and other ideas after the new year.

I hope to have the complete list of Holiday Events on CATOE instruments compiled in time for the December edition. We will NOT be having a social in December due to the hectic schedules. Hopefully you and your family will attend one of the many events at the **Arcada, Pickwick, Tivoli, York** and also (if you get your ticket order placed in time) for the annual Christmas Program at **Mundelein**.

Great socials in September and October. Thanks to the membership for their questions about future CATOE "events" at the business meeting at DGNHS. Your December Vox will have much more information and will give you a chance to vote on next steps — when you renew, I would appreciate it if everyone could complete the membership form when you send in your checks.

As promised we will have time for more discussions on the 19th. Hope to see you all there!

**David Rhodes** and **Tim Charlton** share bench duties at the Tivoli Theatre on CATOE's 3/10 Wurlitzer each Friday and Saturday nights playing before the movies. Stop in and enjoy their performance on our Mighty Wurlitzer!
